Our Mission Statement

Moyne Community School offers an holistic education, upholding the Christian values and traditions of the communities from which the school evolved. We are committed to enabling

students and staff to develop their full potential within the school's formal and informal curriculum, in a friendly, safe and caring environment

Moyne Community school is a co-educational multi-denominational post-primary school under the joint patronage of Bishop of Ardagh and Clonmacnois and Chief Executive LWETB.

Community Schools provide a comprehensive system of post-primary education open to all the children of the local community. An innovative approach to delivery of a wide-ranging curriculum contributes to the spiritual, moral, mental, physical and social well-being of students within their community. Our school was established under the Deed of Trust and opened on 1974 through the amalgamation of the Latin School in Moyne and Ballinamuck Vocational School. The values of LWETB as a multi-denominational State Body and the inherited traditions, Christian values and founding intentions of the Bishop of Ardagh and Clonmacnois are enshrined in the characteristic spirit and in the life of our school and are respected and cherished.

The core values of Moyne Community School are care, respect, community, inclusion, equality, justice and fairness. These values combine to provide and support an atmosphere which is conducive to excellence in teaching and learning. We endeavour to assist each student to reach his/ her full potential in a calm, caring and creative environment.

Our values are reflected in how we live as a school community. The unique and intrinsic value of each member of the school community is recognised and respected. All are treated equally, regardless of race, gender, religion/belief, age, family status, marital status, civil status, membership of the Traveller community, sexual orientation, ability, disability or socio-economic status. All students are given equal opportunity for enrolment, in line with the Education (Admissions to School) Act (2018) construed in accordance with section 3 of the Equal Status Act 2000. Once enrolled, Moyne Community School provides all our students with equal opportunities to engage with the curriculum, school life and the local community.

Moyne Community School provides a safe physical and social environment that reinforces a sense of belonging to the school community and wider society. We strive to enable every student to realise their full potential regardless of any aspect of their identity, culture or background. Our school promotes a fully inclusive education which recognises the plurality of identities, beliefs and values held by students, parents and staff. We prepare open-minded and responsible citizens with a strong sense of shared values with a view to contributing to a just and fairer society.

Our school is multi-denominational where we welcome, respect and support students of all religions and beliefs. The provision of religious education, religious worship and the work of the Chaplain all combine to reflect the founding intention of the school, the school's mission statement and the needs of the students within the school. The characteristic spirit of the

school finds practical expression through the provision of pastoral, liturgical and social outreach activities, as appropriate, for each student.

In Moyne Community School we celebrate the partnership, collaboration and empathy which nurtures and develops our young people in a community where the essence of our ethos is care and respect for self, others and our environment.

The school has always been renowned for its warm friendly atmosphere, based on a relationship of mutual respect between teachers and pupils

other than siblings of a student attending the school or children of staff members
- (g) the date and time on which an application for admission was received by the school,

This is subject to the application being received at any time during the period specified for receiving applications set out in the annual admission notice of the school for the school year concerned.

8. Decisions on applications

All decisions on applications for admission to Moyne Community School will be based on the following:

- Our school's admission policy
- The school's annual admission notice (where applicable)
- The information provided by the applicant in the school's official application form received during the period specified in our annual admission notice for receiving applications

(Please see [section 15](#) below in relation to applications received outside of the admissions period and [section 16](#) below in relation to applications for places in years other than the intake group.)

Selection criteria that are not included in our school admission policy will not be used to make a decision on an application for a place in our school.

9. Notifying applicants of decisions

Applicants will be informed in writing as to the decision of the school, within the timeline outlined in the annual admissions notice.

If a student is not offered a place in our school, the reasons why they were not offered a place will be communicated in writing to the applicant, including, where applicable, details of the student's ranking against the selection criteria and details of the student's place on the waiting list for the school year concerned.

Applicants will be informed of the right to seek a review/right of appeal of the school's decision (see [section 18](#) below for further details).

12. Sharing of Data with other schools

Applicants should be aware that section 66(6) of the Education (Admission to Schools) Act 2018 allows for the sharing of certain information between schools in order to facilitate the efficient admission of students.

13. Waiting list in the event of oversubscription

In the event of there being more applications to the school year concerned than places available, a waiting list of students whose applications for admission to Moyne Community School were unsuccessful due to the school being oversubscribed will be compiled and will remain valid for the school year in which admission is being sought.

Placement on the waiting list of Moyne Community School is in the order of priority assigned to the students' applications after the school has applied the selection criteria in accordance with this admission policy.

Offers of any subsequent places that become available for and during the school year in relation to which admission is being sought will be made to those students on the waiting list, in accordance with the order of priority in relation to which the students have been placed on the list.

For clarity, if a place becomes available in a given mainstream class group, before that place is offered to a Student on the waiting list for that mainstream year group, the waiting list for the Special Class shall be reviewed and if there is a place available in the Special Class and there is a Student on the waiting list who would be able to take-up the place due to the available place in the given mainstream year group, that Student will be offered the place in the Special Class (thereby removing the place in the mainstream year group). This is in the interest of ensuring that the scarce resources of the Special Class are never under-utilised

14. Late Applications

All applications for admission received after the closing date as outlined in the annual admission notice will be considered and decided upon in accordance with our school's admissions policy, the Education Admissions to School Act 2018 and any regulations made under that Act.

Applications must be accompanied by original Birth Certificate (Long version) and a recent passport size photograph signed on the back by the student. Birth Certs will be copied and returned to parents/guardians.

Following an offer and acceptance of a place in Moyne Community School the Education Welfare Act 2000 promotes the exchange of full information between schools in respect of transfer pupils and this condition shall apply to all transfer pupils to Moyne Community School

16. Declaration in relation to the non-charging of fees

The Board of Moyne Community School or any persons acting on its behalf will not charge fees for or seek payment or contributions (howsoever described) as a condition of-

- (a) an application for admission of a student to the school, or
- (b) the admission or continued enrolment of a student in the school.

17. Arrangements regarding students not attending religious instruction

Moyne Community School offers religious education in all year groups as it promotes the holistic development of students and can contribute positively to their wellbeing in line with the principles of the Junior Cycle and Senior Cycle Frameworks and in the spirit of the Deed of Trust. It facilitates the intellectual, social, emotional, spiritual values and moral development of students and

encourages respect for all members of our school communities. In addition, religious education supports the 'multi-denominational' aspect of our school's ethos as it provides opportunities for students to engage with questions around their own religious or non-religious beliefs and those of their peers.

In this context it is important to understand the distinction between 'religious education' and 'religious instruction':

- Religious education is open to all pupils regardless of their commitment to any particular religion or worldview. It seeks to contribute to the spiritual and moral development of all students equally.

- Religious instruction is instruction in accordance with the rites, practices and teachings of a particular religion or denomination for pupils of that religious tradition.

Given that Religious Education, as distinct from Religious Instruction, is timetabled across our school at all levels the legal requirement to advise of the option to opt-out of religious instruction does not arise.

Moyne Community School, as a multi-denominational school supports the provision of religious education that caters for all students regardless of their religious or non-religious beliefs and therefore does not provide religious instruction in one particular religion or belief.

However, as per Section 30(2)(e) of the Education Act (1998), Moyne Community School recognises the right of parents, or students over the age of 18, attending publicly-funded schools to withdraw from any subject contrary to their conscience, including religious education.

Parents or students over the age of 18 who wish to opt-out of religious education must make a written submission to the principal in the first instance. The submission should outline reasons why the opt-out is being requested. The principal will then arrange to meet with the parent(s) or student over the age of 18 to discuss the request. If after that meeting the parent or student over the age of 18 still wishes to opt out of religious education, the school will facilitate this in the following way

- Pupils may remain in the classroom or be moved to an alternative room to carry out other work during these timetabled period. Pupils must remain in a supervised setting at all times.

Moyne Community School from time to time will observe religious ceremonies, in line with the Christian ethos which was fundamental to the founding of the school. Again, Moyne Community School recognises the right of parents, or students over the age of 18, attending publicly-funded schools to withdraw from any ceremony contrary to their conscience, including religious ceremonies.

Parents or students over the age of 18 who wish to opt-out of religious services/ceremonies must make a written submission to the principal in the first instance. The submission should outline reasons why the opt-out is being requested. The principal will then arrange to meet with the parent(s) or student over the age of 18 to discuss the request. If after that meeting the parent or student over the age of 18 still wishes to opt out of religious education, the school will facilitate this in the following way

- By ensuring students are not withdrawn from classes for ceremonies
- Provision of supervised study for students for the duration of ceremonies

All applications for enrolment in the ASD Class will be considered within the context of the school's Admission Policy. Where the number of applicants exceeds the places available, priority will be given in the following order:

- Current students enrolled in the school who receive a diagnosis and recommendation
- Siblings of current students in Moyne CS who apply and meet the criteria for admission

- Students who live within the eligibility distance threshold and students entitled to school transport through Bus Eireann or its agents and attending a special class in one of our feeder schools.
